

Apple Core Angel © Dee Wirak

Key: B // BPM: 125 // 6 beats - 4 beats

Chorus

B E

Apple core angel, love is all I've got

B E B

Apple core angel, with Johnny on the spot

Verse 1

B E B

Love is like an ocean, depth cannot be seen

E B

As above, so below, now and in between

E B

Living love's action, blow by blow

E B

Rocking to the rhythms of the seeds we sow

E B

Balance and emotions held respectfully

E B

Compassionate deeds are what we need

Chorus

Apple core angel, love is all I've got

Apple core angel, with Johnny on the spot

Where's Johnny? (On the spot)

Love is more than I thought. My yoni, never forgot

Bridge

G#m E

When I explore my humanity

B F#

It's more than a pleasure to Be

G#m E

With the gifts, I've been given at my core

B F#

To embody love, is what I'm living for

Verse 2

Flame is burning higher, moving up the spine

Fingers in the fire, we're staying aligned

Merging sweetly in tantric slow

Moving with Presence in the primal flow

Beyond our positions in this duality

Here on a mission to make harmony

Chorus (extended/layered)

B E

Apple core angel, love is all I've got

B E B

Apple core angel, with Johnny on the spot

B E

Apple core angel, love is all I've got

B E B

Apple core angel, with Johnny on the spot

B E

Where's Johnny? (On the spot)

B E B

Love is more than I thought. My yoni, never forgot

(where's Johnny?)

Love is love is all of us

(on the spot)

Growing joy in loving consciousness

Here with Johnny

(Love is love is all of us) **(On the spot)**

Growing joy in loving consciousness

(Here with Johnny)

(Love is love is all of us) (on the spot)

B F#

To embody love is what we're living for

B E

Apple core angel, love is all I've got

B E B

Apple core angel, with Johnny on the spot

Yoni defined as womb, origin or source
