Key: C

Call & Echo

Dee Wirak

BPM: 80

Trust your path in this life *Trust your path in this life*
like water finds the way *like water finds the way*
Oh the path is difficult that's true *Oh the path is difficult that's true*
In the calm of surrender *In the calm of surrender*
the light of my soul shines through-- *the light of my soul shines through--*
illuminating my way *illuminating my way*
to Peace deep inside *to peace deep inside*
Trust your path in this life *Trust your path in this life*
like water finds the way *like water finds the way*
Trust your path in this life like water finds the way *Trust your path in this life like water finds the way*
Oh the path is difficult that's true *Oh the path is difficult that's true*
In the calm of surrender the light of my soul shines thru *In the calm of surrender the light of my soul shines thru*
illuminating my way to Peace deep inside *illuminating my way to peace deep inside*
Trust your path in this life like water finds the way *Trust your path in this life like water finds the way*
Trust your path in this life like water finds the way *Trust your path in this life like water finds the way*
Like water finds the way *Like water finds the way*
